Summer Camp

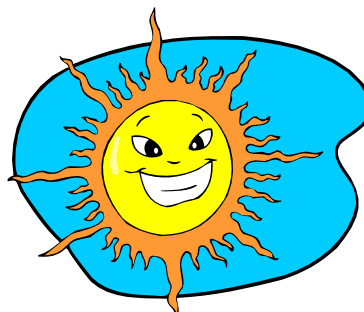

We are looking forward to a summer journey with your children.

Our Summer Camp is in a Montessori environment and is rooted in the Montessori philosophy.

It is a theme based program integrated with the Montessori method. Spanish, music and sign language will be emphasized in this program.

We offer a three day program (Tuesday-Thursday) during the months of June and July, focusing on the individual child and achieving his/her full potential while having fun. Both a toddler (18 mos.-3 yrs.) and an early childhood program (3 yrs.-7 yrs.) are offered.

Please call (248)360-0500 for more information.
